

[Click Here for your January Training Module](#)

What is the best way to send you forms to us? Email them to forms@swhuman.org in the biggest allowable size. PDF or JPG preferred. Make sure you write your Name and Provider ID# on all Medical Statements sent to the office. If you email forms to us you don't need to mail them as well. If you use a yahoo, att or aol email address please send all correspondence and forms to swhumandev@gmail.com

Dear Providers,

Happy New Year from everyone at Southwest! We hope everyone had a happy and healthy winter break. Here are your notes for January:

1) How do I access my 2022 Tax Reports?

If you claim on Paper Forms your Tax Report will be mailed with your December payment at the end of this month. If you claim on KidKare you can download it by Clicking Reports, then Claim Statements and then Tax Report, Select Year then hit Run. If you need a physical copy emailed or mailed to you call the Austin office at 1-800-369-9082 or email info@swhuman.org

2) ByHeart Infant Formula Recall

On December 11, 2022, ByHeart voluntarily recalled certain infant formula products. For details about this recall and affected products, visit: [Byheart Issues Voluntary Recall of Five Batches of Its Infant Formula Because of Possible Health Risk | FDA](https://www.fda.gov/safety/recalls-market-withdrawals-safety-alerts/byheart-issues-voluntary-recall-five-batches-its-infant-formula-because-possible-health-risk) (<https://www.fda.gov/safety/recalls-market-withdrawals-safety-alerts/byheart-issues-voluntary-recall-five-batches-its-infant-formula-because-possible-health-risk>). USDA remains committed to ensuring CACFP participants have access to safe formula to meet their nutritional needs. We are working closely with the FDA to monitor this developing situation and are ready to respond if the impact of the recall evolves. Parents and caregivers of infants who have purchased this product should follow instructions provided by ByHeart in their

letter to consumers (<https://byheart.com/pages/founders-letter>).

Parents and caregivers of infants who have used this product and are concerned about the health of their child should contact their health care provider.

3) Scantron Forms are being Phased Out

As we posted last week Minute Menu has informed us that after their next Major Update Scantron Forms will be phased out. We encourage everyone still claiming on forms to have a look at KidKare (The online claiming utility). You can claim on any device that connects to the internet and has a web browser. There are no apps to install. We will be sending a KidKare Handbook with your Username and Password next time you order more forms or you can call the Austin Office at 1-800-369-9082 and request it today! [Download the Handbook Here](#)

The New 2023 NCA (cacfp.org) Calendar is available to Order!

This years theme is Counting Animals! Each month highlights CACFP meal patterns, best practices, snack suggestions as well as healthy recipes, nutrition tips, and table and physical activities. In addition to this valuable nutrition education resource, each month's calendar page has oversized squares for recording important events. The Nutrition Calendar & Record-Keeping System has additional pages each month for business recordkeeping. [Click Here](#) to order yours today! | [Click Here](#) for the 2023 Calendar Training Module.
