

[Click Here for your September Training Module](#)

If you use a yahoo email address please send all correspondence and forms to swhumandev@gmail.com

Dear Providers,

Fall is almost here and that means three things. Kids are going back to school so you need to start marking excuses for AM Snack and Lunch, You need to get your Training in if you received a letter from us and its time to clean out your roster and withdraw any kids no longer in care in preparation for our favorite time of the year, Re-Enrollment season! ;) Also the New WIC Letter is available. [Click Here](#) to download it. Here are your notes for September:

1) 2022 Cacfp.org Calendars are now Available to Order!

This year's theme is "Imagination Station" which focuses on childhood creativity. Each month highlights CACFP meal patterns, best practices, snack suggestions as well as healthy recipes, nutrition tips, and table and physical activities. In addition to this valuable nutrition education resource, each month's calendar page has oversized squares for recording important events. The Nutrition Calendar & Record-Keeping System has additional pages each month for business recordkeeping. [Order your Calendar Here!](#) [Supplies are Limited! One Per Home.] [Click Here](#) for the 2022 Calendar Training Module.

2) Re-enrollment is being sent out Next Month!

Its that time of the year. We will be mailing your Enrollment Renewal Packets at the end of September. Please withdraw any kids you don't plan on re-enrolling so they don't show up on your packets! Each Child Requires a Parent Signature and a 10/1/21 Date in order to be Re-Enrolled. **Children Enrolled in September are Automatically Re-Enrolled.** The packets are due November 3rd!

Please DO NOT send your Re-Enrollment ahead of time. Wait until you receive the packet and then submit it.

3) New P-EBT Under 6 Toolkit

Due to the pandemic, millions of young children who were attending child care facilities in person lost access to free and reduced-price meals. The Food Research & Action Center has created a [P-EBT for Children Under 6 on SNAP Outreach Toolkit](#) to help inform eligible families on how to receive benefits.

During the 2020–2021 academic year, children under 6 years old who were enrolled in SNAP at any time since October 1, 2020, are eligible for P-EBT benefits if they lived in or attended child care in an area where at least one school or child care facility closed or operated with reduced attendance or hours. Children under 6 who were enrolled in SNAP in the last month of the school year, or at any point over the 2021 summer period (as defined by the state), are eligible for summer P-EBT benefits.

The toolkit includes

- customizable social media posts and graphics;
- sample newsletter language;
- a flyer;
- a public service announcement template for radio and television;
- other sample outreach materials from states to share through your channels; and
- materials in Spanish and Simplified Chinese.

For more information on P-EBT, go to FRAC's dedicated [P-EBT](#) page or <https://frac.org/>.
