

## SUMMERTIME IS HERE!

Provider and children's schedules can change drastically when school is out for the summer. These schedule changes may mean temporary closures for holidays, vacations or varying meals times that affect your program monitoring for the Program. We wanted to remind everyone of some important rules that may affect your claim:

You can still claim meals for the month even if you serve only one meal in any month to one non-residential child.

Remember that school-age children that will be in your care all day may be claimed along with pre-school children's meals (for example, AM snack or lunch in the summer). Be sure to note the date of school closures on your yellow Claim Information Form sheet for May and June 2010 and school opening dates for August 2010

Summertime is a great time for picnics. Meals eaten on field trips are allowable if they meet the Program meal requirements. Please give your Program Coordinator advance notice of any field trips or outings so she can avoid missing your meal service if you are not planned to be serving at your child care home. This advance notice policy is a federal requirement for the Program.

With all these reminders, we also realize that your day care home's summer schedule and meals claimed may change. Please take time to fill out the bottom section of this page to make us aware of your schedule changes to avoid us visiting your home when you are gone.

**Please return this page along with your May 2010 claim (or as soon as you have figured out your summer schedule) to: SHDS, P.O. Box 28487 Austin, TX 78755-8487. You may also fax your survey to 512-467-1453 or toll-free 1-888-467-1455. You can send by email at: [info@swhuman.org](mailto:info@swhuman.org) or contact your Program Coordinator directly. (Contact info on back)**
